Questions? info@DarienAfterSchool.com / 888.212.3837

Intro to Fencing	Sword fighting allowed?!?! Learn the basics of fencing - footwork, bladework and bouting tactics. Join competitive bouts each week to improve skills, speed, coordination and reflexes. Helmets and plastic blades provided (helmets treated for LICE after each class!)
Karate	Your martial arts journey is here! Train to improve physical conditioning and practical self-defense skills. The goal of this traditional martial arts program is to develop the whole person - body, mind, and character, thereby increasing confidence, focus, self-discipline, self-control, and respect for self and others. Students begin with a white belt and, when the opportunity is earned, may test for belt advancement at session end for a \$50 test fee coordinated by, payable to, and held at the Kempo Karate of Darien dojo.
Mission Impossible	Hidden treasures, obstacles, blindfolds and more are all part of working with your team to strategize and plan how to get across the finish line. Are you up for the challenge?!
My First Hot Cocoa Stand	Set up your own 'Cocoa Stand' and get a taste of what it means to be an entrepreneur. Explore the concepts of product development, marketing, finance and strategy, in a supportive and collaborative environment. From advertising to forecasting profits and, of course, experimenting and taste testing different recipes, students learn what it means to build a business from the ground up!
Ozobots	Join Happy Code Club and learn robotics and programming with Ozobots. These fun little robots are capable of doing amazing things. Use Ozocodes to control the behavior of the robot. Have a blast in this fun workshop!
Slimy, Scaly, Ooey, Gooney Science	Time to get your hands dirty! Planting, mixing Polymers (aka making slime), making recycled Paper and more to discover the world of Herpetology, the science of reptiles and amphibians. And that's not all... meet worms, explore the fungus among us, and more!
SNAX!	Calling all Chefs! Make yummy no-bake snacks, some savory and others sweet, while honing your culinary craft with chopping, mixing, emulsifying and, of course, proper food handling and nutrition. All great chefs sample what they make! Note: Nuts, Eggs, Soy, and Wheat may be used in all recipes. Please contact us if your child has a food related allergy.
Spartan Jr.	A Spartan has great courage, self-discipline and strength. Start your training with fitness activities such as string maze obstacles, roll the tire races, tunnel climbing, javelin throwing, tug of war and much much more!
Ultimate Recess	Yes! MORE Recess!!! Play favorite games like wall ball, four square, smith, sharks and minnows, tag, jump rope, and more! A great way to extend the best part of the school day!
World of Watercolors	Discover the joy of painting with watercolor as you learn different techniques and how to use them to create your own masterpieces of unique, beautiful art to display at home.
