Questions? info@DarienAfterSchool.com / 888.212.3837

Airplane Missions	Your mission.... learn about the science of making a plane fly, build amazing model airplanes and watch them fly! Build a variety of aircraft models including the Starfighter helicopter, Mustang P-51 glider and the electric Seagull and test the principles and physics of flight. Will you complete your mission? Yes! With 'flying' colors!! - Control tower "Over and Out."
DL Dance Party	Bring your 'dancing' shoes to this high energy, dance "Party." Learn new Hip-Hop dance moves and choreography each week to songs you love and show off your best dance moves in supportive and encouraging group games. No experience necessary - just bring comfortable shoes and a passion to groove. See you on the "Dance Floor!"
Full STEAM Ahead	The opportunity for science exploration is limitless! Each week, focus on a different STEAM activity including Science experiments, Technological advancements, Engineering challenges, Artistic creations, or Math games. Each session features ALL-NEW activities. Work individually or in groups as you complete challenges in this active and hands-on science class.
Improv and Theater Games	"One, Two, Three, ACTION!" Play theater games and learn the fundamentals of Improv. Through song, dance, game play and storytelling students learn about character development, story structure, and theater fundamentals. Free your creative spirit and explore your imagination while having loads of laughs in this cooperative and supportive class environment.
Karate	Your martial arts journey has begun. The goal of this traditional martial arts program is to develop the whole person - body, mind, and character, thereby increasing confidence, focus, self-discipline, self-control, respect for self and others as well as physical conditioning. Students start with a provided white belt and may test for belt advancement at session end for a \$50 test fee coordinated by, payable to and held at the Kempo Karate of Darien dojo. <i>All levels welcome and encouraged.</i>
Mission Impossible	Hidden treasures, obstacles, blindfolds, riddles and more are all part of working with your team to strategize and plan how to physically get across the finish line. Are you up for the challenge?!
Mix It Up Sports	Matball, kickball, sharks and minnows, steal the bacon, soccer, flag football, basketball, floor hockey... the sports are endless and they are mixed up each week. Bring your team spirit, and get ready for cooperation, tolerance, sportsmanship, and fair play. Hit the ground running in this action packed class - and don't forget your sneakers!
Spartan Jr.	A Spartan has great courage, self-discipline and strength. Start your training with activities including string maze obstacles, tire roll races, tunnelling, javelin throwing, tug of WAR and much much more! Join the FUN and be the best Spartan you can be!
Spring into Art!	Discover what you can use to make art---salad spinners, balls, kitchen utensils, eye droppers and more! Create one-of-a-kind masterpieces with block printing, stencils, decoupage, collage and clay. Each week features a different spring or nature-based theme. Look at your world from a different angle, have fun and let your imagination soar! <i>Students will also work on stage props for the Hindley third grade chorus concert.</i>
Watercolor Workshop	Joyful painting with Watercolor paints and paper. Learn different techniques including salt on watercolor, water on water, sticker resistance and more, to create your own masterpieces of unique, beautiful art to display at home.

Hindley Conference Week Events

Tuesday-Friday, March 17-20

1-3pm, Grades K-5

Join Darien After School during early release days for an action-packed afternoon. Grade-based groups will rotate between *sports and games in the gym, a variety of stations in the common room (crafts, games, LEGOs and more), and a special 'feature' activity each afternoon:

TUESDAY

Hands on Pottery: Use different painting techniques including stencils, fun writers and tape to design and paint your one-of-a-kind piece of pottery. Pieces are glazed and fired at the Hands on Pottery studio and returned to school for pick-up or backpack express.

\$50

WEDNESDAY

Icky Adventure and Slime Time: Animals lick their own eyeballs, eat dead stuff for a living and drop off their own tails?!?! Learn all this and more during a live animal presentation, and then make at least two different types of slime to take home! *Due to the length of this program, there is no gym activity.

\$35

THURSDAY

Art Exploration: Create a masterpiece using unusual techniques and unorthodox tools, like salad spinners, balls, kitchen utensils and more. You'll be amazed at what you create using everyday household items!

\$45

FRIDAY

MakerStation: Use your imagination as you create with printed papers, cardboard, rubber bands, wire and other found or recycled items more to create games, vehicles and "chore chopper" inventions. The possibilities for self-expression are as endless as the materials!

\$40
